- 13.3" LCD Protector Film CF-VPF03U
- Large Venue DLP Projector PT-DW5000U
- Mobile LCD Projector PT-LB50U

*Total useable memory will be less depending upon actual system configuration.

**Battery performance features such as charge time and life span can vary according to the conditions under which the computer and battery are used. Battery operation and recharge times will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences. Battery testing results from MobileMark 2002.

***Accessories and Integrated Options may vary depending on your notebook configuration.

Please consult your reseller or Panasonic representative before purchasing.
